Tom:

I finished reviewing these tables and am sending them on to you. I made a few changes that are noted in red. Ex. 5 Deliberative Process (DP):

## Ex. 5 Deliberative Process (DP)

I am supposed to be at my house sometime during the day on Wednesday to receive delivery of kitchen cabinets. I may either arrive late or leave early. The deliverers will call me Tuesday night to give me the time interval during which I have to be there to receive the cabinets.

Attached you will find the hematopoietic evidence tables. Hopefully I will see you on Wednesday.  
Keep warm in this crazy weather.
